

# Mulch Donation Form

The City of Wyoming will continue its policy of delivering leaf mulch at no cost. However, the Urban Forestry & Beautification Commission is asking residents who receive leaf mulch from the City to consider making a donation. These donations will be used to purchase street trees for the City wide planting program, which has helped the City achieve its **20th consecutive** Tree City USA Award designation.

Your favorable response will help preserve the natural beauty of Wyoming. If you choose to donate, please make your check payable to the City of Wyoming with a notation on the memo line: "Mulch"; or you may charge your donation using the form below.
