

Wyoming Community Garden Gardener Agreement

Following are guidelines for all gardeners for the Wyoming Community Garden.

1. I will work to keep the garden a secure and enjoyable place where all participants can garden and socialize in a neighborly and considerate manner. I understand that I am an integral part of the Wyoming Community Garden and, as such, must be a good steward of the land and resources available to me.
2. I will visit my plot regularly to keep my area clear of weeds and neatly maintained during the entire growing season. I will keep the fences and pathways adjacent to my garden cleared of weeds and debris.
3. I understand that the annual fee for the garden is based on water usage. I will use water wisely. I will be careful not to overwater or allow run-off onto neighboring gardens.
4. I will place all trash in the Rumpke containers located at the main entry. I will place all organic waste in the designated areas or compost bins.
5. I understand that a regular inspection of the garden will be conducted during the planting season. If my plot is judged to be lacking in the required maintenance by the City, I will receive written notice from the City Manager's office. If I do not comply within 14-days, I will forfeit my plot without a refund and the plot will be assigned to someone on the waiting list.
6. In preparation for winter, I will clear my plot and neatly stack all tools & equipment.
7. The undersigned agrees to hold harmless and releases the City of Wyoming, Ohio, a municipal corporation, from any and all claims of any kind, including, but not limited to, all claims of personal injury or property damage, associated with or arising out of the gardening activities and associated work on property (Wyoming Community Gardens) owned by the City of Wyoming.

I have read the above guidelines and agree to abide by them.
