

The Muddy Pig

Sponsorship Opportunities

Dear Wyoming Business/Organization,

The Wyoming Police Department would like to invite you to take part in our muddiest event of the year! The Wyoming Police Department's 3rd Annual Muddy Pig event will be back again this year at North Park as part of the City's July 4th festivities. This popular event combines a family-friendly obstacle course and lots of mud for a not-so-serious challenge allowing families to play in the dirt with their neighbors!

This event is run through the Wyoming Recreation Foundation and supports the Wyoming Police Department's community policing efforts. The support of our local businesses and organizations is critical to our success. We truly appreciate your support!

Sincerely,
Police Chief Rusty Herzog
