

Action Items for Residents:

Do you want to help Wyoming live more sustainably? Here is a list of seven things you can do immediately:

1. **Participate in Rumpke's Curbside Recycling Program:** Here are the items that can be recycled in your green curbside bin: <https://www.rumpke.com/for-your-home/recycling/acceptable-items>.
2. **Compost Food Waste:** Either by composting at home, or by collecting food waste in a five gallon bucket and taking it to Wyoming's Residential Food Waste collection site at the north end of Oak Park. For more information on what items can be collected, go to https://drive.google.com/file/d/11FS0-INe8Ccts36_zxehop7E0COJCDtK/view.
3. **Dispose of Electronics Safely:** Take electronics to the ReBOOT Electronics Reuse and Recycling Bin at the north end of Oak Park <https://www.rebootrecyclers.com>).
4. **Use the Hefty Renew Program to get rid of Plastics:** Keep plastic bags and Styrofoam out of the landfill by participating in the "Hefty Renew" program through Rumpke's curbside recycling program <https://www.hefty.com/products/hefty-renew>.
5. **Follow the rules for disposing of Large Items:** Rumpke's curbside trash pick-up program can help you dispose of large items such as mattresses, but follow the guidelines for how to do it properly: <https://www.rumpke.com/for-your-home/curbside-guidelines>
6. **When you don't know what to do with it:** Hamilton County can help you figure out how to dispose of items safely: <https://hamiltoncountyr3source.org>).
7. **Participate and Learn:** Join the ESC mailing list, participate in Upcycle Day and other events!
