## INTRODUCTION

Attached is the overview of the financial status of the 2025 budget based on six months of actual revenue collections and projections. This report categorizes the City of Wyoming's funds as either Major or Non-Major. For purposes of this report only, Major Funds are the General Fund, Recreation Fund, Capital Improvement Fund, Equipment Replacement Fund, and the Waterworks Revenue Fund. These five funds were deemed Major Funds because they receive most of the City's revenue, expend most the City's cash resources, or are of particular importance to the City Council and residents. The remaining funds are in the Non-Major Fund section of this report.

Detailed in each section are descriptions of each fund and an analysis of the revenues and expenditures posted to date. Actual receipts (revenues) and payments (expenditures) are compared to the adopted budget to assess potential overages/shortages in budgeted line items. Comparisons with figures from last fiscal year are included to indicate the differences by year, since budgeting techniques remain relatively uniform from one fiscal year to the next.

## CASH MANAGEMENT

Cash temporarily idle during the quarter was invested in demand deposits, Money Market Funds, Federal Government Securities, Commercial Paper, Banker's Acceptance, and the State Treasurer's Investment Pool (Star Ohio).
